

Art for the Heart
July 15, 2026

Canvas Tote Bags

- Enjoy creating your own canvas tote bag with your fabric paint.
- These paints are permanent and machine washable.
- Leave it to dry for over 24 hours. Fabric can be washed in cold water (turn inside out) after 72 hours. Air dry. Do not dry in dryer.
- You do not need to bring your bag back for display.
- If you need to complete this project in order to receive your t-shirt, please bring it back to show its completion.
- We will be in Old Town Square on July 22 from 12pm – 1pm so that you can pick up any of your final art projects. All unclaimed art projects will be discarded.

We hope you've enjoyed Art for the Heart this summer!

Please feel free to send us an email if you have feedback you would like to provide.
